AIR COOLERS

Efficient cooling,
for a comfortable life

ABOUT US:

COSCO is a leading brand in television, audio and fan products for the last 35 years in West Bengal. The company provides “True Value” to its customers by making technologically advanced, safe and high quality products available at affordable prices, backed up by a comprehensive after sales network. Now we have added user friendly features and competitive pricing to cater to our target consumers.

We are focused on addressing the needs of our customers through efficient, reliable and economic analysis, solutions and products. We are committed to total customer satisfaction by identifying our customers' specific needs, translating them into quality products and providing dependable after sales-services. This commitment is the Milestone of our quality parameters.

**Effortless Living,
Powered by COSCO.**
